

DID YOU KNOW?

MILLICENT GOLF CLUB IS ONLINE

We now have a **Member Login** area on our blog at www.millicentgolfclub.com.au

It's time to get connected with your club and your fellow members. Snail mail is out and internet is in. There's not enough of us with the time to get the messages out to everyone so you need to get on board and do this to help us out.

Setting up is easy to do and takes about 5 minutes. Go to the blog page, just click on the Member Login link and follow the prompts to renew your password and update your contact details. It's absolutely imperative you enter your email address and mobile phone number – how else are we going to let you know what is going on? Don't worry, you won't be bombarded with emails every day!

Once you have updated your details you are free to check the upcoming events, member's directory and results of your previous rounds (including the full field). You can even check your handicap rounds with one click directly to Golflink (there's no need to enter your Golflink number, you are already linked in).

Can't think of an easy to remember password? You could use something like your birthday eg. If your date of birth is 30th June your password would be 3006.
