AGM Report

The club AGM was held on Sunday 27th March. A different format was used this year with the meeting being held at the Golf Club, preceded by a Mixed Pinehurst Foursomes event, sponsored by the Bellinger Family.

All attendees were welcomed by President Mark Pilmore. Secretary/Treasurer Ron Hateley presented the Financial Report which was also sent to members via the AGM newsletter that was sent out previously. This was followed by election of committee members. Below you will find the new Millicent GC Operations structure. You will note that there are some unfilled positions and the Committee would like all members to consider taking on a small role to help with the overall management of the club.

As part of the meetings general business the Committee tabled the new Constitution which was accepted by the meeting. A copy of the Constitution is available to the members behind the Bar in the clubhouse.

There was some discussion regarding the current disrepair of the clubhouse and a committee has been formed to address the ongoing maintenance as well as the possibility of building a new clubhouse - drawings of a proposed new building has been put on the club notice board for members comment.

Security issues were also raised and the committee will look into the placement of extra security cameras around the sheds and fuel tanks.

It was noted that many members volunteered throughout the year and special recognition was given to Mardi Sunderland and Bruce Packer.

Women's Pennant News

After 3 weeks of great competition we find two of Millicent's teams, A Grade and Division 3 sitting comfortably in first place on the ladder. Division 1 are currently third by a narrow margin behind Lucindale and Mt Gambier.

This week will be the decider for Division 1 as they play a knockout match against Naracoorte at Penola. Its do or die girls so put your heads down. Also playing at Penola will be Division 3 playing against the Naracoorte team which is currently in fifth place - this is not a time to get too complacent. A Grade will be playing at Naracoorte against Kingston with the winning team going straight into the final. The loser will get a second chance the following week but we don't want to go down that path do we?

Good hitting everyone!
